

A word cloud centered around lipid metabolism. The words are arranged in a roughly circular shape. The largest words are 'biosynthetic', 'acid', and 'fatty', all in purple. Other words in green include 'metabolic', 'elongation', 'monounsaturated', 'catabolic', 'sphingolipid', 'lipid', 'longchain', 'unsaturated', 'fattyacylcoa', 'mrna', 'saturated', 'betaoxidation', 'monoacylglycerol', and 'polyunsaturated'.

polyunsaturated  
monoacylglycerol  
betaoxidation  
saturated  
metabolic  
biosynthetic  
mrna  
acid  
fatty  
lipid  
longchain  
unsaturated  
catabolic  
sphingolipid  
elongation  
monounsaturated  
fattyacylcoa
